

TO: NORTH CENTRAL AREA COMMISSION

FROM: MR. ALFONSO R. HOOPER,
NORTH CENTRAL AREA COMMISSIONER
FOR THE BRITTANY HILLS COMMUNITY

SUBJECT: MY NORTH CENTRAL AREA COMMISSION BIO

My wife and I have lived in Brittany Hills for the past 44 years. We raise four wonderful children and they attended Columbus Public Schools.

We have been members of The Brittany Hills Civic Ass. For thirty years and I have been the North Central Area Commissioner for our Brittany Hills Community for thirty years.

My proud accomplishments for the Brittany Hills Community have been: (1) Fighting for the Columbus Port Authority and the FAA about this damn Airport noise that we endured for 30 plus years. And we were successful in obtaining total soundproofing of 212 homes in our Brittany Hills Community in 2005.

All 212 homes received new furnaces, air conditioners, triple plated windows and doors front and back. This soundproofing made for a better quality of life for our residents. (2) Police and Safety for our residents, when it comes to fighting drugs and crime in our neighborhood. Our community united and stood up and marched in our Brittany Hills Community to let the drug dealers and other criminals know that we are not going to tolerate these unlawful activities in our community this again made for a better quality of life for everyone in our Brittany Hills Community. (3) We partnered with the Mayor's Office and City Council and Columbus Police Department, especially our liaison Officer, Officer Dave Wilson who is a great liaison officer to have on our side to help us fight crime in our neighborhood, and make Brittany Hills a place to live and raise our families.

Thank you in advance
