Biographical Information

What I have done in the community:

Hi my name is Frank Brown II. I'm retired from the US Navy with 20 years of active duty service. I've served in Iraq, Israel, Tunisia, and Turkey and all over the United States. My line of operation was a Hospital Corpsman. I met my wife while stationed here at Rickenbacker Air force Base and was married spring of 2010.

Why I want to be a commissioner:

I fell in love with the city of Columbus. I live here in the American Addition with my wife. She's a fourth generation of the American Addition. Which is why I'm so interested in the commissioner position. The American Addition is a family oriented community. In order to keep it going I need to do my part and make a difference in this community.
